## Return Form

No returns will be accepted by Green Farm Parts unless this form is filled out completely and included with the package being returned. Shipping charges are the customer's responsibility. Any package shipped freight collect or COD will not be accepted.

### The following items may not be returned for any reason:

- Electrical components
- Manuals - Operator, Technical/Repair, Service, Parts, etc.
- Hardware (Including but not limited to: Nuts, Bolts, Screws, Caps, Springs, Washers, Connectors, O-Rings, Pins, etc.)
- Any parts or accessories that have been installed on equipment

Once the return has been processed we will issue the appropriate credit to your method of payment. All parts must be in original packaging with the John Deere bar code visible and in sellable condition.

Returns are typically processed in 2-5 business days from date of receipt. No Returns will be accepted after 30 days of the order receiving date per the courier tracking number
